### Season Information

- The season starts on Tuesday, May 20<sup>th</sup>
- The final date of the regular season will be Friday, July 25<sup>th</sup>
- There are no games currently scheduled for July 21-25 – this is to make up rained out games, though teams are encouraged to reschedule games within 2-3 weeks of the original date when possible
- Playoff games will be completed by July 31<sup>st</sup> (weather depending).
- If there are many rainouts and games cannot be rescheduled, the team with the best record in the regular season will be named league champion.

### Reporting Scores

After each game, the home coach/manager will email the final score to **Surgescores2025@gmail.com**.

### Rainouts

The decision to cancel games will be made locally by coaches/managers. **The decision should be made 2 hours ahead of the scheduled time.** If there is an Environment Canada weather warning at a game site, the game should be canceled. If no message is received, players, coaches and umpires should plan to attend the game.

Once the decision is made to cancel the game, the home coach/manager needs to call/text/email the following:

**SURGE EXECUTIVE:** info@seawaysurge.com

**LEAGUE CONVENOR:** Surgescores2025@gmail.com

**UMPIRE SCHEDULER:** surgeumpirescheduler@gmail.com

Once a game begins, the decision to continue or postpone play will be made by the umpire, in consultation with coaches.

### Rescheduling of Games

It is the responsibility of the Home Field Head Coach/Manager and Away Team Head Coach/Manager to re-schedule games. **Once a game has been rescheduled, please email the details to Surgescores2025@gmail.com and [surgeumpirescheduler@gmail.com](mailto:surgeumpirescheduler@gmail.com).**

**Note:** It is possible that a game's location will be changed to ensure you have umpires.

Note: **Please do not add a rescheduled game in your team's TeamSnap calendar**, as it will create a duplication in the system. There are currently no games scheduled for the final week of the season – you can reschedule rained out games for that week. However, if possible, please try to reschedule each rainout within 2-4 weeks from the original date. The final date of the regular

season is Friday, July 25th. All games must be rescheduled before that date. It is possible that not all games will be rescheduled. The playoffs will start on Monday, July 28th.

## **Umpires**

The Surge organization has worked very hard over the last 5 years to create a robust umpiring community. Please treat them with the respect. Should you have any concerns in regards to umpiring, contact [surgeumpirescheduler@gmail.com](mailto:surgeumpirescheduler@gmail.com) and the concern will be directed to our Umpire-In-Chief.

**Note:** 9u games can be played without an umpire. Coaches on the field can assume the role. 11u, 13u, and 16u games can be played with one umpire.
